ORIGINAL DIVISION

**ORDER**

On September 17, 2015 this Court scheduled a conference to take place in chambers between the Court, the State and Defense Counsel to discuss availability for, and scheduling of, the Defendants' trial dates.

On September 18, this Court received Defendants' Joint Motion For Recordation Of September 24, 2015 Scheduling Conference. The Defendants request that the scheduling conference take place on the record because they wish to place on the record discovery issues that affect the defendants in different ways and may require certain defendants to seek postponements that should be charged to the State.

This Court scheduled this conference solely for the purpose of calendar review. No legal issues will be discussed or resolved at the conference. Defendants will be afforded an opportunity at a later time and date to place their concerns upon the record and to make arguments concerning whether postponements should be charged to the State, as well as to submit any other arguments relevant to scheduling before any decisions are made by the Court. Therefore, it is on this 22nd day of September, 2015, hereby

**ORDERED** that the Defendants' request for the September 24, 2015 scheduling conference to take place on the record, is **DENIED**.
