**ELIGIBILITY CRITERIA:** Defendant must be 18 years or older, reside in Baltimore City, show symptoms of chronic substance abuse, and have no open cases that cannot be resolved by the plea into DTC. Defendant must have no convictions (homicide, child abuse, rape/sexual offense, abduction/kidnapping, arson, robbery with a weapon, or serious violent crimes) unless the conviction occurred at least 10 years and the sentence was completed at least 5 years before the date of entry into DTC. Defendant must be amenable to program participation which includes intensive supervision combined with drug testing, drug treatment, and judicial monitoring over the course of 24 months. Individuals on probation can be accepted only if the Circuit Court Judge to whom the defendant is on probation agrees to transfer the supervision of that probation to DTC or if a District Court Judge agrees to hold supervision in abeyance while the participant is supervised in DTC. Individuals on parole can be accepted only if the Parole Board has given written notice (including by e-mail) that it will not violate the Parolee and approves of the acceptance into DTC. The approvals for a transfer of probation by a Circuit Court Judge or supervision by a District Court Judge and from the Parole Board must be secured before final acceptance into DTC. Individuals who have previously participated or graduated from a DTC will be considered for admission if that person currently meets the eligibility criteria.
